

ASCLS MEMBERSHIP COMMITTEE NEWS

May updates from your ASCLS Membership Committee:

Reminder: Spring Membership Campaign began May 1, 2017

Every new member who joins now will receive membership in ASCLS effective through July 31, 2018. This campaign runs from now through the end of July.

Reminder: Early Registration for Annual Meeting is open

Join us in San Diego!

If you register before June 16, it's only \$465. Click on link below for registration:

<http://ascls.org/education-meetings/annual-meeting/registration>

(If does not link, cut and paste into browser)

New Ideas Factory Needs You!

The New Ideas Factory is looking for a few good members!

- 🏠 Tell us why you joined ASCLS, what you do in the profession and maybe a few personal tidbits.
- 🏠 If you are interested in sharing your story or you know a member, send Alice Hawley an email at pianowoman88@yahoo.com and she will provide the questionnaire (you don't even have to think about what to say, we got you covered!)
- 🏠 Your story will be posted on the ASCLS website and Facebook.

#JoinME

We want to see the diverse faces of ASCLS. We are looking for videos or pictures of ASCLS members that say "Join Me" or use the tagline #JoinME. Example: "Join ME, I'm an ASCLS Member and an Educator".

- 🏠 Video files should be in MP4 format.
- 🏠 Send videos or pictures to andrea@ascls.org

Find your favorite spot in the lab, student lab, office and/or classroom and send us your video!

New Member Communities

Check out the new Member Communities

- 🏠 Have you wondered how other rural hospitals handle issues? Ask in our Member Community for Rural Hospitals.
- 🏠 Are you curious how to translate your skills to public health? Ask our Public Health colleagues.

🔗 Funny lab meme, post it in the Laboratory Humor community!

Return on Investment: Patient Safety Resources

🔗 This link takes you to a large compendium of patient safety resource websites
<http://ascls.org/patient-safety-websites>.

🔗 The site is an exhaustive listing of many websites with excellent patient safety information. Examples include CMS, Center for Phlebotomy Education, CAP, American Society of Quality, CDC, Institute for Clinical Systems Improvement, Joint Commission, National Patient Safety Foundation, World Health Organization Patient Safety, and many more too numerous to list here!

🔗 Take a look at this listing and find the help you've been looking for.

Remember, without members, ASCLS cannot provide all the wonderful benefits that you enjoy...

Conferences, Networking, Leadership Development, Advocacy, Publications, Continuing Education, Discount programs, Promotion of the Profession ...
